DUPLEXER FOR M1 PRINTER

ASTROJET™ M1DX

Powered by **memjet**®

Converts your standard M1 Printer into a full color Duplex Printer! Print quality up to 1600 dpi for sharp graphic images in full process color. Provides the same print speed as the standard M1 in both single and double-sided print modes, in process color or monochrome. **M1DX Duplex Printer Includes:** M1DX Print Engine Assembly in a floor-standing rolling cabinet, M-Series duplex firmware/printer driver and User Interface Toolbox. (*M1 Printer sold separately*.)

Product Highlights:

- Fast, full color one or two-sided printing
- Fast, easy installation. No special tools required
- Economical. Very low cost-per-copy
- Versatile, flexible! Switch from one to two-sided printing in seconds
- Same print speed for one or two-sided printing
- Prints on envelopes, single sheets and card stock
- Special firmware and User Interface synchronizes the two print engines for fast, efficient printing
- Retains all the functionality of the standard M1 Printer
